

TEAM/COACH CHECK-IN PROCESS

Players do NOT have to be present at team check-in (*you can however sign up for team pictures and see info on that below*). Every coach getting a coaches pass/wristband MUST be present at team check-in in order to receive their coaches pass/wristband as NTBA will put the wristband on every coach.

You MUST wear the wristband ON your wrist (and no where else) for the entire tournament. If you choose not to wear one you will need to purchase a daily wristband at the gate each day.

Each team will receive will three (3) free coaches passes/wristbands and you can choose to purchase a 4th pass for \$35. Each team can only receive a total of four (4) coaches passes. We do not care who the coaches passes go to for each team, but you can only receive a maximum of 4 passes (3 free ones and 1 extra for \$35).

Note: If a particular coach is not available to come to the team/coach check-in then that particular coach will just simply need to come by the Myrtle Beach Sports Center BEFORE their first game (in plenty of time to pick it up). Coaches passes can only be picked up at the Myrtle Beach Sports Center.

LOCATION OF TEAM/COACH CHECK-IN
