

NTBA COACH AGREEMENT FORM

I agree to the following terms:

- I have read & understand and will adhere to all the current/updated NTBA rules and policies (including eligibility rules) posted on the NTBA website (www.playntba.com).
- I understand all current roster/eligibility rules which include, but are not limited to: (i) players can play on two teams as long as the two teams are from the same organization, two different age groups, and the player meets the eligibility requirements for both. (ii) players must be on both the team roster turn in to NTBA or NSID.
- I understand NTBA cannot change bracket play times and organizations with multiple teams need to be prepared to play at the same time should that occur.
- I understand that any players or coaches that are ejected from a game will have to sit out the remainder of that game AND the following game. No appeals can be made.
- I understand no players from the bench should step on the game floor for any reason. Players coming onto the playing surface (even if it is to break up a fight) can be dismissed immediately for the game and must sit out the next game if ejected.
- I understand I am in charge of myself, my assistant coaches, my players, and all the players' parents & fans. I understand that any unsportsmanlike conduct from anybody (coaches, players, parents, or fans, etc.) associated with my team can cause my entire team to be removed from the tournament with no refunds of any kind.
- I understand I must wear my wristband on my wrist at all times for the entire tournament. I understand I will have to pay to enter the gym if I don't have my wristband on my wrist (and wrist ONLY).
- I will double check the score after each game on the NTBA App or online to make sure the score is EXACTLY right. Any score discrepancies should be reported to an NTBA official immediately.
- I will adhere to the officials/referees decisions and calm anyone within my organization down (or ask them to leave if the referee requires). This includes assistant coaches, players, parents, or anyone else associated with my team.
- I understand the officials will choose the best game ball to use between the teams.
- I understand that if my team is late for a game we will forfeit (traffic or getting lost is not an excuse). There will only be a 5 minute grace period and I understand if we are more than 5 minutes late we will forfeit the game.
- I understand all official protest must be done prior to the start of a game and done under official NTBA rules/policies listed on the website including paying a \$100 fee to protest.
- I understand the "home" team will be the official scorebook keeper that the officials/refs will go by. However, I am aware that NTBA states the "away" team scorekeeper should sit close enough to communicate with the home team scorebook keeper to make sure everything is the exact same in both score books.
- I understand I must adhere to the rules/policies of each gym/facility.
- I understand I am in charge of making sure everyone associated with my team follows all safety protocols and procedures.
- I understand all players must sign the NTBA waiver before playing in a game.
- I understand that NTBA has the final say so in all matters pertaining to this tournament.
