COACHES/TEAM MOM INFORMATION

Sink Photographic Designs will be on-site photographing team pictures as well as action pictures during the 2019 NTBA Nationals at the Myrtle Beach Sports Center in Myrtle Beach, SC. We are offering each team the opportunity to order a customized team picture with a memorable 2019 NTBA Nationals template for the price of \$20 each for 8x12 prints and \$35 each for 12x16 prints. The price is reduced to \$15 each for 8x12's and \$30 each for 12x16's if 10 or more in either size of the same team are purchased.

Your team's order will be available for pick-up on the final two days of your event at the Myrtle Beach Sports Center. All teams will be photographed on opening day at the Myrtle Beach Sports Center immediately following your team's check-in. There will be someone at check-in to direct you to our table to process your team's order. **We will also be available at "Early-Bird" check-in to photograph teams who choose to register early.** There are a large number of teams that will need to be photographed in a fairly short time span. In order for us to ensure that all teams involved receive the best quality service in the most efficient way possible, we ask that you please assist us with the following:

- Please inform your team & parents that their team picture will be photographed on opening day immediately following check-in.
- When your team arrives to be photographed, please have them line up from shortest to tallest.
- Please encourage your team to be very cooperative as we will have a short time in which to photograph each team.
- Please give your team parent (or the person you wish to handle the team picture order) the "Team Picture Order Form" and help them ensure that all parents are informed about the team pictures.
- **All team pictures must be ordered on opening day.** This is to ensure that each team's template can be designed and order processed for delivery by the above stated time. We appreciate your understanding in this matter.
- To process your team's order, have the person collecting the order bring the order form **(ONE ORDER FORM PER TEAM)** along with payment to the Sink Photographic Designs table. We accept cash, check **(from a team account only)** or credit/debit card payments. Please note that no personal checks will be accepted unless written from a team account! We apologize in advance for any inconvenience!
- **Even if your team is not purchasing team pictures, they are still required to be photographed immediately following your check-in. An image of each team is given to NTBA for promotional purposes.**

ACTION PHOTOS:

Your team will also have the opportunity during the week to purchase individual action photographs at our table in the lobby. Please let your parents know that if they are interested in having action images to view of their child, they should sign-up at our table in the lobby anytime prior to their child's scheduled game. Requesting that their child be photographed does not obligate them to purchase pictures but should ensure that they will have images to view of their child. (Periodically, although every effort is made, a request may not be fulfilled due to unforeseen circumstances.) Images may be viewed and purchased at the Sink Photographic Designs display table. **Images WILL NOT be available on the web so be sure your parents know to view and purchase pictures during the event.** The following action photos will be available:

Printed on-site for immediate delivery:

Photographs	8x10	\$20
	5x7	\$15
	4x6	\$10
