COACHES/TEAM MOM INFORMATION

COVID-19 - SPD will be following all guidelines implemented by the CDC to ensure the health and safety of all our customers and our photography crew. We ask for your patience and understanding as we navigate this together to ensure everyone's safety while still meeting the needs of our valued customers!

TEAM & CHAMPIONSHIP TEAM PICTURES:

Due to COVID-19 and in order to protect the health and well-being of all our valued customers and photography crew, we will not be photographing team pictures or championship team pictures at this year's nationals. We apologize in advance to those teams who purchase team pictures every year but due to the restrictions in place, we are unable to offer team pictures this year.

ACTION IMAGES WILL BE AVAILABLE FOR PURCHASE:

As in previous years, your team will have the opportunity to purchase individual action images. If you are interested in having action images to view, please sign-up at our table in the lobby any time prior to your child's game. Requesting that your child be photographed does not obligate you to purchase images but should ensure that you will have images to view of your child. (Periodically, although every effort is made, a request may not be fulfilled due to unforeseen circumstances.) Action images may be viewed and purchased at our display table in the lobby. **Images WILL NOT be available on the web so be sure to purchase your desired images during the event.** The following action images will be available:
