

Information and Notice about COVID-19

TEAMMATE BASKETBALL and NTBA recognizes the value of team sports as it provides positive impacts to individuals both on and off the court. TEAMMATE BASKETBALL and NTBA also recognizes the need for additional safety and health precautions needed to prevent the spread of COVID-19. The guidelines listed on our website(s) are intended to balance the benefits of team sports with the needs for public health and safety. We need the full support and cooperation from all participants and their families regarding these guidelines as well as the policies set forth at each facility, and in each municipality, in order to help keep everyone safe. Failure to do so may result in your removal from the facility and/or event.
