

National Championship Coach Agreement

*Each teams' coach or team administrator must sign this agreement and turn back in to NTBA during team check in or before their 1st game (only one is needed per team) ***Make sure to READ the following terms****

By signing below I _____ (please print name), am stating that I represent the following team(s): _____ (please print team name) which plays in the following age group: _____ (please print the age group(s) the team is playing in).

I agree to the following terms:

- I have read & understand and will adhere to all the current NTBA rules and policies posted on the NTBA website (www.playntba.com).
- I understand all current roster/eligibility rules which include, but are not limited to: 1. Players can play on 2 teams as long as the two teams are from the same organization, two different age groups, and the player meets the eligibility requirements for both. 2. Players must get interviewed before playing in a game and be on the roster turned in at team check-in. 3. All players must meet the NTBA guidelines for eligibility for the division my team is playing in.
- I understand that any players or coaches that are ejected from a game will have to sit out the remainder of that game AND the following game.
- I understand no players from the bench can step on the floor for any reason. Players coming onto the playing surface (even if it is to break up a fight) can be dismissed immediately for the game and must sit out the next game if ejected.
- I understand I must wear my wristband on my wrist at all times throughout the week. I understand I will have to pay to enter the gym if I don't have my wristband on my wrist (and wrist ONLY).
- I will be in charge of myself, my assistant coaches, my players, and all the players' parents & fans. I understand that any unsportsmanlike conduct from anybody (coaches, players, or parents) associated with my team can cause my entire team to be removed from the tournament with no refunds of any kind.
- I will adhere to the dress code set forth by NTBA.
- I will double check the score after each game on the NTBA App or online to make sure the score is EXACTLY right. Any score discrepancies should be reported to an NTBA official immediately.
- I will adhere to the officials/referees decisions and calm anyone within my organization down (or ask them to leave if the referee requires). This includes assistant coaches, players, parents, or anyone else associated with my team.
- I understand that if my team is late for a game we will forfeit (traffic or getting lost is not an excuse). There will only be a 5 minute grace period and after that the game will be forfeited.
- I understand all official protest must be done prior to the start of a game and done under official NTBA rules/policies listed on the website including paying a \$100 fee to protest.
- I understand the "home" team will be the official scorebook keeper that the officials/refs will go by. However, I am aware the NTBA states the "away" team scorekeeper sit directly beside the home team scorekeeper so that they can be proactive and communicate throughout the entire game to make sure they have the exact same thing.
- I understand the officials will choose the best game ball for play.
- I understand I must adhere to the rules/policies of each gym/facility.
- I understand that NTBA has the final say so in all matters pertaining to this tournament.
