

2019 Boys Nationals II Check-In Times

July 15th: Early Bird Check-In

July 16th: Regular Check-In

Location

Myrtle Beach Sports Center

2115 Sports Center Way

Myrtle Beach, SC 29577

(Coaches and Players are required to attend)

Regular Check-In (July 16th)

See scheduled check-in times below

Early Bird Check-In (July 15th)

4:00pm-8:00pm

If you are in town on Monday, July 15, then NTBA HIGHLY recommends that you check-in during the early bird check-in hours! The process will be MUCH FASTER during the early bird check-in. You can come anytime during the hours of 4-8pm (no reservation or check-in time is required...just show up anytime from 4-8pm).

Documents Required for both Check-Ins

- **Proof of Age** (copy of a birth certificate or state issued ID with a date of birth on it or another form of ID like military ID or passport or drivers license)
- **Proof of Grade player was in** (copy of a report card or any official school print out listing the player's current grade and school year such as a progress report or online Power School portal print off)
- **Roster** (please print off a blank NTBA Team Roster posted online and fill out and bring with you to team check-in)

NSID Verified Teams

NTBA will accept National Sports ID (NSID) for proof of age and proof of current grade the players are in. If your entire team is verified through NSID you will get to skip the player interview process and the team check-in will be MUCH FASTER for your team! Please note your entire team must be verified through NSID for you to skip the player interview process during team check-in. You will need to show us the “Green Check Mark” that your entire team is verified for NTBA eligibility.

Please make sure you add your team to the NTBA tournament on the NSID website to get verified for our NTBA eligibility rules!

Please note if your entire team is verified through NSID and you have the green check mark from NSIS proving so, you will still need to show up to team check-in with your players in full uniform as we will take a quick team picture. This is also when you will get your discounted coupons and coaches' passes (and other info) as well. However instead of having to wait around for every player to get interviewed, once you receive the info/coupons/etc you can then quickly go get your team picture and leave.

For more info and to get your players verified through NSID:
Visit: www.nationalsportsid.com

Note: Teams that are verified through NSID will still need to turn in a hard copy of their roster during team check-in. Please print off from the website and have ready to turn in during team check-in.

Notes for Players & Parents

- All players must be in full uniform during check in (either home or away jerseys are fine to wear)
- Team will take a team picture at the end of team check in (see info posted on our website about purchasing team pictures)
- Players will wait in the “holding area” on Courts 7 & 8 for their team name to be called to get interviewed
- Parents can come and wait on Courts 7 & 8 ONLY or they can hang out in the lobby (apparel will be for sale at this team and with limited items, this is the best time to purchase National Championship apparel)

Late Player Check-In Info

If a player is going to check-in late the team must turn in their paperwork during the team check in and have them on the roster already. **You MUST have all players listed on the roster you turn in even if they are arriving later in the week.** All players will be interviewed during team check in. If a player is arriving late they must be interviewed before playing in their first game.

Late check-in for individual players will be at the Myrtle Beach Sports Center.

Late check-in players must also have a copy of their birth certificate and report card with them to be interviewed when showing up as well.
