

TEAM/COACH CHECK-IN PROCESS

Players do NOT have to be present at team check-in (*you can however sign up for team pictures if you want to get a 2024 National Championship Team Photo...more info on this coming soon*). Please note that coaches getting a pass/wristband have to be present in order to get their coaches pass/wristband.

Note: If a particular coach is not available to come to the team/coach check-in then that particular coach will just simply need to come by the Myrtle Beach Sports Center BEFORE their first game (in plenty of time to pick it up). Coaches passes can only be picked up at the Myrtle Beach Sports Center.

You MUST wear the wristband ON your wrist (and no where else) for the entire tournament. If you choose not to wear one you will need to purchase a daily wristband at the gate each day.

Each team will receive will three (3) free coaches passes/wristbands and you can choose to purchase a 4th pass for \$45. Each team can only receive a total of four (4) coaches passes. We do not care who the coaches passes go to for each team, but you can only receive a maximum of 4 passes (3 free ones and 1 extra for \$45).

ITEMS FOR CHECK-IN

See **Email #2** on player verification process (or view info posted on NTBA website for “Player Verification Info”). If you are choosing Option #2 then you **MUST** bring all the proper paperwork for each player! Contact NTBA with any questions. If you are choosing Option #1 and getting verified through NSID then you do not need to bring any paperwork with you, but make sure all your players are verified on NSID per NTBA eligibility rules.

During team check-in we will collect all the info we need from the coach and/or team admin and also give out discounts to local attractions/restaurants.

CHECK-IN TIME OPTIONS

Coaches can choose to come ANYTIME during the following time slots:

Wednesday July 24th: 4:00pm-8:00pm

Thursday July 25th: 8:00am-10:30am

You do not need to sign up for a specific time slot...simply show up at any time during the time frames above.

**We HIGHLY recommend coming on Wednesday for any coaches that are in town as it will be much quicker this day.*

TEAM PICTURE INFO

Many teams will want to have a professional team picture taken with the 2024 NTBA Nationals Logo/info on it. Any team can sign up to get their team picture taken. Simply have the players show up in whatever color uniform you want them wearing for the team picture.

Team Pictures are **ONLY** available during the two check-in time options listed above.
